VILLA MAY SURRENDER IF GUARANTEED SAFETY BY U.S. FROM CARRANZA

Rancher Claims Bandit Did Not Lead Columbus Raid—Other Outlaws Using His Name To Cover Their Own Tracks—Funston in Conference With Informer.

(By International News Service.)

SAN ANTONIO, March 20.—"Villa did not lead the raid on Columbus. I know that positively because I know where he was on that day." The above statement was made this morning by Otto Francke, a wealthy rancher of Santa Cataline, Mexico. The man is of the highest integrity and there seems no reason to doubt the truth of his startling announcement.

Otto Francke arrived yesterday in San Antonio. He came especially to see General Funston. Both the general and the rancher refused flatly to discuss the object of the visit, but during the last two days reports have been current to the effect the bandit murderer Villa is willing to surrender if assured he will not be turned over to the Carranza authorities. Francke maintains that outlaws with whom Villa has no connection are using his name in order to cover their own tracks.

Villa Splits Forces.

EL PASO, March 20.—It is understood that Francisco has split his force into two individual bands and is fleeing into the fastnesses of the mountains south of Galeana. He has now succeeded in putting about 50 miles between himself and the American troops on his trail. Carranza supporters believe he will continue his flight in an effort to join Zapata and will not offer any resistance to the pursuing soldiers unless cornered.

Bandit Nearly Taken.

The famous bandit narrowly escaped capture near Casas Grandes when the invading army, by its

GRUBER-MORRIS HARDWARE CO., Inc.

record-breaking march, surprised him while he was resting his men before the final dash for the security of the mountains.

AMERICAN CAVALRY NOW 110 MILES SOUTH OF BORDER

(By International News Service.)

SAN ANTONIO, March 20.—The American cavalry is now 110 miles south of the international border, but the infantry is considerably behind. The troops are reported in good condition.

The cavalry is being divided into small groups. This information was given out at General Funston's headquarters following the receipt of reports from General Pershing and Colonel Dodd and it is taken to mean that Villa has also split up his force into small bands. General Pershing states the Carranza garrison at Casas Grandes was friendly but passive.

U. S. AND VILLA REPORTED IN BATTLE ON MEXICAN SOIL

LAREDO, March 20.—A vague report of a fight between the American troops and Villa forces reached the Carranza garrison just across the border today. No details could, however, be secured.

LONDON FIRM SAYS PEACE IS COMING.

GALVESTON, March 20.—A cablegram received here from a big London shipping firm declares that immediate peace is in sight and cancels certain arrangements for a large amount of tonnage which was to be sent to the Allies.

AMERICAN TROOPS NOT TO OCCUPY MEX. TOWNS

(By International News Service.)

WASHINGTON, March 20.—After a conference with President Wilson, Acting Secretary Polk announced that American troops will not occupy Mexican towns. This order is issued to help Provisional Ruler Carranza hold in check the Mexican people.

The war department has as yet received no reply from Carranza in answer to the request that the United States be allowed to ship war munitions over Mexican railways, but Acting Secretary Polk believes no objection will be raised as long as this government emphasizes the fact that the operations are limited to the capturing of Villa.

GREATEST COUNCIL OF WAR OF HISTORY TO MEET IN PARIS

(By International News Service.)

PARIS, March 20.—The greatest council of war in the history of the world will take place here this week when the highest military and government authorities of England, France, Russia, Italy, Belgium and Serbia meet to outline a supreme effort on the part of the Allies to crush Germany. Asquith, Haig, Joffre, Cadorna, the crown prince of Serbia and other noted figures in diplomatic circles will be present.

ALLIES LAUNCH BIG AERIAL RAID.

LONDON, March 20.—Fifty aeroplanes in the Allies' service this morning bombarded the German naval base at Zeesbruggs and the aerial station at Houtade, doing extensive damage. This is the biggest aerial raid yet attempted by the Allies. All machines are reported to have returned safely.

TAGGART APPOINTED SENATOR.

INDIANAPOLIS, March 20.—Governor Ralston this morning appointed Thomas Taggart to the vacancy left by the death of Senator Shively.

THE MISSES WETHERELL ENTERTAIN AT HOLLY HILL
The Misses Beattie and Hazel Wetherell entertained a dozen or more of their young friends, principally their schoolmates from this city, at a St. Patrick's party Saturday evening at their home on Washington avenue, Holly Hill.

The rooms were prettily decorated with bamboo and green crepe paper and prizes and refreshments were emblematical of St. Patrick's day. The evening was very pleasantly spent at games and in the enjoyment of a good, social time with the dancing of the Virginia reel as the closing feature of the occasion.

REAR-AD. INGERSOLL TO LECTURE TUESDAY

Rear Admiral Royal T. Ingersoll, of LaPorte, Ind., a retired officer of the U. S. Navy, will give an address at the Daytona Beach Methodist church, Tuesday evening, on the subject of "Our Navy." This interesting lecture will be given with stereopticon slides.

Those who have seen Rear Admiral Ingersoll give this lecture are of the opinion that almost any amount of reading cannot give the information which is given during the course of one of these lectures. He shows on his slides the tremendous effect of one shot from some of the largest guns in the navy. He also tells of the exceedingly accurate marksmanship of our sailors and gunsmen, and how it is the best in the world.

BEACH PROMENADERS SEE LARGE WHALE IN OCEAN

A number of people who were walking up the beach in the neighborhood of the Nautilus Casino, Sunday afternoon, about 3:30 p. m., were startled to see a large whale spouting along the horizon. The great amphibian circled around for a few moments and then apparently discovering so many people coming down on the beach to see him and being of a modest and retiring nature, went out to sea himself, spouting every little while.

ENTERTAINMENT AT THE FIRST BAPTIST CHURCH

The recital to be given this evening at the First Baptist church of Seabreeze, will be one of the best of the season. Miss Bidelia Belle Irving will render several songs during the evening and will be accompanied by Miss Kate Hotchkins on the piano. Other numbers will be given by those who have kindly consented to help and all are assured that the entertainment will be worth far more than the price of a ticket.

DR. DEAN T. SMITH SPEAKS ON EUGENICS

Dr. Dean T. Smith gave his address before the Tourist Bible class of the Daytona Beach Methodist church yesterday morning at 9:45, on the subject, "A Problem of Education." He touched on the problem of eugenics and debilitating Americanism as follows: "We are building up by carelessness, a prudishness concerning a number of the older members of the class, but his position was emphatically endorsed by a well known physician, who joined in the discussion afterwards. 'Few others than physicians realize the importance of our economic and physical welfare of preventing the breeding of criminals of the two sexes.'"

"Unless some people are shocked by hearing something they dislike to hear, told to them in plain language, they will not wake up to the importance of teaching eugenics to the rising generations."

Dr. Smith was for many years on the faculty of the University of Michigan, and is just the high-class sort of man necessary to present so delicate a subject to the people.

CLARENDON LAUNDRY TO BE ENLARGED FOR NEXT YEAR

In a recent interview, President Potter, of the Clarendon Hotel company, told a News representative that plans are arranged for the enlargement of the Clarendon laundry during the coming summer. The business has been such during the present season that the present equipment has proved inadequate for their needs and will be enlarged for next year. The capacity for work will be increased about 50 per cent.

SEABREEZE PERSONALS

Miss Ruth Stewart visited her family over the week-end, coming over from Stetson Friday, and returning to her college work, Sunday evening.

Miss Ethel Sholtz spent the week end at the beach visiting her parents at the Sholtz bungalow on the ocean bluff above the Clarendon hotel. Miss Sholtz returned to her work at Stetson this morning.

Misses Belle Montgomery and May Huston, also B. F. Crabb, who have been season guests of the Seaside Inn, have left for their home in Crawford, Ind. They speak in high praise of the beach and thoroughly enjoyed their winter in this beautiful spot of Florida. They will visit in St. Augustine and Jacksonville en route home.

PLANS STARTED FOR HIGH SCHOOL DEBATING TRIALS

Plans are being laid by the members of the high school organizations to hold debates between the schools at some time in the near future. The local school has often held home debates between their own pupils, but it is hoped to have debates between the different schools.

A. VANDE VORD IS STILL GETTING CEMENT CONTRACTS

Contracts still flock into the office of A. Vande Vord, the well known Daytona Beach cement man. Mr. Vande Vord has several gangs of men on the job at present. Today his workmen begin the work on the large driveway for the G. G. Allen home on the corner of Ocean boulevard and Grandview avenue, and also on some sidewalk work for Judge Kennedy at his river front home.

DAYTONA BEACH LOCALS

Mr. and Mrs. J. L. Lockwood spent Sunday at the beach visiting friends. They are from Atlanta, Ga., and were former residents here.

Don McDonald has returned to his home in Sanford after spending the week-end on the beach with a number of friends. Mr. McDonald owns a fine celery plantation near Sanford and spends his week-ends at the beach.

Two beautiful quartettes were heard at the Sunday evening services of the Daytona Beach Methodist church. The first, "When Golden Leaves Are Falling," was well sung by five of the members of the junior choir, as was the second, "Sweet Sabbath Eve."

Mrs. Finley and granddaughter, Miss Venice Finley, and grandson, Simon Finley, who have been spending several weeks at the Strother home on Seabreeze, left this morning on their return to their home in Illinois. They have made many friends during their stay here.

Mrs. E. E. Allene and Mrs. C. D. Lawrence, who have been season guests of the Seaside Inn, leave this afternoon for Tampa where they will join Mr. Allene and Mrs. Allene's brother, E. E. Ford, and then enjoy a trip of several weeks' duration along the West Coast of the state.

A motor party consisting of E. P. Maull, of West Palm Beach; Harry Sinott, of Jacksonville; J. L. Lockwood, of Atlanta, Ga., and E. S. Frederick, left this morning for a business trip to Deland, where they will stay until tonight or tomorrow morning before their return to the beach.

The white stucco work which is being put on the outside of the Sarah Cornelia Young memorial library, on the corner of Vermont avenue and Peninsula Drive, adds greatly to the attractive appearance of the new building. Contractor Fuquay hopes to have the building ready for the books in a short time.

Mrs. E. S. Frederick will entertain the members of the Ladies' Aid of the First Baptist church of Seabreeze next Thursday evening at her home on the corner of Seabreeze and Ocean avenues. A very delightful time is anticipated by all of the members. All members are urged to be present to enjoy the good time and to transact business of some importance.

Mr. and Mrs. V. Z. Graham, of Umphries, Ohio, entertained a number of their friends at a dinner dance, last Saturday evening, at the Comfort Lodge, on Ocean avenue. The event was in honor of Mr. and Mrs. John Archibald Campbell, of Cleveland, O., a recent bride and groom, who are spending a week here. The Lodge was decorated in yellow and green and the tables were attractively arranged in the living room and were decorated with beautiful orange blossoms. Cards and dancing were enjoyed until a late hour, the music being furnished by the Victrola.

FORMER RESIDENT HERE VISITING MANY FRIENDS

Herlison Bowen, of DeLand, a former resident of the beach was a visitor for the week-end, staying for a short time at the homes of his many friends on the beach. Mr. Bowen stopped on his return from a trip to Jacksonville for the purpose of debating, as a member of the Stetson academy debating team. The Stetson team received a unanimous decision over the Duval high school team.

Mr. Bowen was a school boy here for many years while his father was the pastor at the Daytona Beach Methodist church, and during that time made scores of friends who are always glad to see him here on a visit. He is now hard at work in the academy at Stetson and brings word that his sister, Miss Olga, is doing very nicely in her college work at DeLand, where Mr. Bowen is pastor of one of the Methodist churches. Mr. Bowen returned to Deland this morning.

BROKEN STEERING GEAR RUNS CAR IN DEEP DITCH

The Pullman auto owned by the Stoness and Miller garage, ran into the fence on the Stewart property on Seabreeze avenue near the East end of the Central bridge, Sunday afternoon, on account of a broken steering knuckle. The car was precipitated into the low yard of this property and was hauled away later in the day by another car from the garage.

If you advertise in the News it goes.

MOTORCYCLIST TAKES FINE FALL IN SAND

Some clever individual going nearly sixty miles per hour tried to execute a figure eight in the soft sand on the beach Sunday afternoon, and only succeeded in removing most of the skin from the prominent parts of his face. One of his eyes was badly bruised and filled with beach sand from too close contact. This man was evidently doing his speeding on the beach in order not to settle with the mayor.

Mr. and Mrs. J. A. Campbell leave today for New York after visiting friends for the last few days at the beach. During their short stay they visited Mr. and Mrs. O. J. Masker at their home in the Oyama block.

Entertained At Cards

Mrs. Marie Barry, of Second avenue, entertained a number of friends Saturday afternoon at her pretty home in the form of a five hundred party. The rooms were most artistically arranged with spring flowers, ferns, palms and potted plants. Four prizes were awarded to the holders of the highest scores. Mrs. Wilkins received first prize, Mrs. E. Kreitzberg, the second, Mrs. R. W. Ball, third, and Mrs. Newburger, fourth.

After the card game delicious refreshments were served by the hostess.

Miss Hazel C. Nelson Entertained At Cards

Miss Hazel C. Nelson entertained most delightfully Saturday afternoon at her home on North Ridgewood avenue at a card party to her many friends in honor of Miss Aida Hayward, house guest of Mr. and Mrs. Murray L. Stanley.

The artistic living and dining-rooms were a fairy land with a profusion of green and white decorations. Auction and five hundred were played by the young ladies and prizes at auction were captured by Miss Lee Bowers, who received the first prize, and Miss Marion Gabeler, the second. At five hundred the first prize was awarded Miss Antoinette Poltz, and the second to Miss Dynna Stuenkel. Miss Hayward was the recipient of a beautiful guest prize.

After the card game the girls enjoyed a real chatty hour during which a dainty and delicious salad and ice luncheon was served.

F. W. Haskell returned Saturday evening from a business trip of about three weeks to Buffalo, N. Y., and rejoined his family at the F. W. Pope residence on South Beach street, which they are occupying for the season. Mrs. Haskell, son and niece, Benjamin and Miss Dorothy Haskell, had only returned the middle of the week from a pleasant cruise of a week or longer to Palm Beach and other points south on board the yacht Badger chartered for the trip.

Mrs. Stout and Son Entertain

Mrs. Lewis A. Stout and her son, Eugene Jones, who are occupying the Thompson bungalow on Live Oak and Palmetto avenues entertained a few of their friends, Sunday, by chartering the "Home Run," belonging to Capt. Mills, and taking a trip up to the Tomoka.

A perfect day was the setting for the jolly party who left in the early morning and leisurely wended their way up the picturesque river. At noon a delicious luncheon, prepared on board by attendants, was served the guests. The party returned to Daytona about six o'clock after a delightful day. It is a pleasing fact to note that because of the captain's knowledge of the water, the boat escaped the mud flats, which are so numerous in the Halifax, and so annoying.

The guests were Edward S. Betts, the well known New York architect, his mother, Mrs. Betts, Mrs. Jones, Miss Guthrie, Mrs. Lottie M. Fisher and Mr. Wilson, a guest of the Clara endon.

Entertained At Dinner

A delightful birthday dinner party was given by Mr. and Mrs. G. Walbaum, of Ormond Beach, Saturday evening at their beautiful home, honoring their daughter, Miss Florence Walbaum.

The decorations were most artistic following the color scheme of green in profuse beauty tones.

A number of Daytona's popular society folk was present.

GREEN-ADLER COMP'NY TO HAVE BIG GARAGE

S. B. GREEN BUYS MORE FRONT-AGE ON MAGNOLIA AVENUE TO MAKE ROOM FOR BIG FIRE-PROOF BUILDING.

S. B. Green has purchased the cottage owned by his mother, Mrs. A. E. Barker, adjoining his own home on Magnolia avenue with the purpose of removing both buildings and replacing them with one of the largest garages and automobile sale houses in the state, for occupancy of the Green-Adler company, agents for the Paige cars and Republic trucks. Mr. Green has for a number of years conducted the Central garage.

The new building, which will front on Magnolia avenue, directly west of the Cleveland hotel, of which Mr. Green is proprietor, will be practically fire-proof, having cement floor, walls of concrete and metal roof. It will be two stories in height, the upper story

affording quarters for chauffeurs, repair men and other employees of the place.

The garage entrance will be in the center of the front, with two large stores on either side. Exit will also be provided by a double passageway, but there will be another exit from the rear of the garage and passageway to Magnolia avenue east of the Cleveland hotel, as at present. The sales rooms and storage rooms will occupy the greater part of the ground floor.

Work on the building, which is to be 84x119 feet in dimension, will be commenced within the next month and a garage is to be completed early in the summer in order to have everything in readiness for next season.

In connection with this transaction, Mr. Green has sold to Dunn Brothers land 76x110 feet, situated west of their Beach street store and north of the Cleveland hotel, and including the present office and sales rooms and also the workshop of the Central garage, but the Green-Adler company retain by lease for a year the workshop. Dunn Brothers will take possession of the other building May 1st, and will use it as a warehouse for a stock of sash, doors and building material.

JOHNNIE JONES TO BE HERE ALL THIS WEEK

CARNIVAL EXTENDS DAYTONA
ENGAGEMENT BECAUSE OF
POPULAR DEMAND AND EN-
THUSIASTIC RECEPTION.

Lovers of clean, wholesome amusement of the outdoor variety, will be pleased to read in this issue of The News, the announcement of the Johnny J. Jones shows' management stating that these clever entertainers will remain in Daytona a week longer than originally intended. Mr. Jones stated Saturday that as all of his bookings at this season of the year can be readily adjusted as to time and in view of the rather inclement weather which has prevailed during a greater portion of this week he had decided that it would be good policy to continue his City Island show and afford Daytona amusement lovers who had not had the opportunity of witnessing all of the Jones attractions, a chance to see the multitude of wonders collected in this year's organization.

The Jones shows have been coming to Daytona so long that they have come to be a regular part of the tourist season's entertainment and their visits are always looked forward to with pleasure. This year, the very best company Johnny Jones has ever assembled is here and the many bright, new features have caused more than usual interest in the carnival.

The reigning craze in Daytona right now, is The Whip, the new \$10,000 riding device which Mr. Jones has just had constructed. It has been gaining in popularity each night since last Monday until now it is the talk of the town, and a regular question following the talk about the weather when Daytona meets his fellow, is "Have you ridden on The Whip at Johnny Jones' show?"

Trained fleas, fat and slim people, midgets (a whole family of 'em), a giantess, and many other wonders are included in the various exhibitions on the Jones midway and several visits are necessary to take them all in.

Many of the shows will change their programs for the second week of their stay here and offer new and catchy features which will warrant a second

visit worth while to those who have seen the shows this week.

This week, the daily concerts of the Vitucci Royal Italian Band, the splendid musical contingent of the Jones shows will continue as one of the most popular features of the carnival. The band has a repertoire which includes the "classiest" classics as well as the "raggiest" rags.

"THE ISLAND OF SURPRISE"
AT CRESCENT TUESDAY

Robert Lovell falls in love with and secretly marries Dorothy Arden, secretary to his wealthy father, Godfrey Lovell. Bob is forced to go on a yachting trip with his father, Dorothy and Miss Casselis, daughter of his father's business associate, whom Bob's father wishes him to marry. Bob and the two girls are stranded on the Island of Surprise. In a landslide which occurs Bob gets a head below and loses his memory. Jealousy and misunderstanding follow and both women claim him. They are attacked by savages but rescued by a man-of-war. Bob has been wounded but upon regaining consciousness his memory returns. All ends happily.

"MARTA OF THE JUNGLES"
AT ARCADE TUESDAY

Two big features will be shown at the Arcade theater Tuesday. "Marta of the Jungles," in which several thrilling realistic scenes of combats of humans with lions, mark the interesting feature of this Centaur feature. The story which is by Theodosia Harris, is laid in the Veldts of Africa. The play is interpreted by a well chosen cast, headed by Margaret Gibson as Marta. Stephen Batty plays Dick Candler, and Roy Watson as Sid Rolfe. The Bostock animals appear in the animal scenes, under the direction of Capt. Jack Bonanitta. Also "The Gamble," in two parts, featuring Harold Lockwood, a thrilling mixture drama of western and society life.

"ON THE TRAIL OF THE LONESOME PINE" AT THE CRYSTAL TUESDAY

In presenting this beautiful American actress, Miss Charlotte Walker, in a picturization of "The Trail of the Lonesome Pine" from the play by Eugene Walters, based on the novel by John Fox, Jr., the Jesse L. Lasky Feature Play Company offers a beautiful picturization of the wonderful reigning theatrical success of recent years, with the principal role played by the star who appeared in the part on the spoken stage for several seasons.

This is Miss Walker's third appearance in Lasky productions on the Paramount Program. The others were "Kindling" and "Out of Darkness."

The photoplay of "The Trail of the Lonesome Pine" tells the story of melodramatic incidents in the attempts of a United States Revenue Officer to stop the illegal manufacture of whiskey among the "Moonshiners" in the mountains of Virginia. He is pitted against a band of rough mountaineers, led by Judd Tolliver. The "Moonshiner's" daughter, June—the role played by Miss Walker—falls in love with the Government agent and is caught between her affection for her people in the mountains and the young stranger who would ruin their illicit traffic.

The cast of "The Trail of the Lonesome Pine" is one of the most notable gathering of screen stars in many months. Theodore Roberts will appear as Judd Tolliver, Thomas Meighan will play the role of John Hale, the Revenue Officer and Earl Fox will appear as Dave Tolliver.

COMMISSIONERS MEET HIGH SCHOOL FESTIVAL TO MAKE APPOINTMENTS AT CASINO THIS EVE

The commissioners of the city of Daytona held an adjourned meeting in the city hall Saturday afternoon at 3 o'clock. All were present.

T. O. Milton was appointed Chief of Police, I. F. Humphreys, policeman, and E. F. Oates, city solicitor. Tax Assessor Otto H. Wehner presented the 1916 tax roll and the commissioners moved to proceed with the review and equalization. It was then moved to turn same over to the assessor for completion.

The general millage was placed at 18 mills, the sinking fund at one mill and special millage (the city hall), at two mills. The following officers were abolished, according to the old scheme, city clerk, city attorney, city marshal, city tax collector.

All who have the welfare of the Daytona public school at heart should make it a point to attend and influence others to attend the high school festival which will be given this evening in the Casino Burgoyne by pupils and faculty. The proceeds of the evening will be the foundation of a fund for the maintenance of the commercial department which is to be established in the school. Great preparations have been made for the festival and it will be one of the principal events of the present season. It will be one of those occasions where those attending will not only enjoy a delightful time, but will be assisting a cause well worthy of their support. Commodore Burgoyne is heartily interested in the successful outcome of the festival and has requested The Daily News to ask the public to visit the Casino this evening and yield up their quarters to the school children.

The Sunday evening band concert in the Casino was very largely attending and the band occupied the alcove just completed on the east side of the building and forming part of the new addition. The evening was mild and many people took seats on the veranda which had been thrown open to the public Saturday afternoon. The veranda, which is about 100 feet in length, varies in width from the ends to the middle where it curves gracefully to allow for the glass enclosure alcove for the band. Doors open upon the veranda at either side of the alcove. Many who heard the music is greatly enhanced by the post-concert Sunday evening say that the tion of the band in the alcove.

The Hart and the Vine.

A Hart, hard pressed in the chase, hid himself beneath the large leaves of a Vine. The huntsmen, in their haste, overshot the place of his concealment, when the Hart, supposing all danger to have passed, began to nibble the tendrils of the Vine. One of the huntsmen, attracted by the rustling of the leaves, looked back, and, seeing the Hart, shot an arrow from his bow, and killed it. The Hart, at the point of death, groaned out these words: "I am rightly served; for I ought not to have maltreated the Vine that saved me."—From Aesop's Fables.

THE GERMANS TO MAKE

ANOTHER GREAT ATTACK

(By International News Service.)

PARIS, March 20.—The Germans have opened a violent bombardment along the west banks of the Meuse preparatory to another great assault on Verdun. According to the Paris official statement, the Teuton attacks on Pepper Hill have been successfully repulsed. The rest of the front is said to be unusually quiet.

ATLANTIC COAST LINE AND FLORIDA SPECIAL WILL NOT BE DISCONTINUED UNTIL THE 10TH OF APRIL.

The Atlantic Coast Line, New York and Florida Special, trains 88 and 87, will not be discontinued until the 10th of April, according to information by W. D. Stark, traveling passenger agent of that road, who is now making his headquarters in this city.

The last trip for this season will be made leaving Jacksonville April 10th, at 12:45 p. m.

The Florida East Coast railway will continue the first section of train No. 88, leaving Daytona at 8:33 a. m. daily, up to and including April 10th. This train will carry day coaches and Pullmans and a through compartment car. Daytona to New York, over the Atlantic Coast Line.

This has been a popular train with the tourists traveling between New York and Florida.

Every day is summer in Daytona.

From the Latin.

The Russians, who were slightly influenced by the Latin races, say that "dogs bark and the wind carries it away," but the French, Spaniards, Germans and English, who have inherited more than they wish to acknowledge from ancient Rome, all agree that "barking dogs don't bite," and we have also in English the warning to "have a care for a silent dog and still water," which is clearly a free translation of the Latin original.

VISITS WEST COAST,
THEN DECIDES TO
BUILD AT ORTONA

Three weeks ago F. M. Graffan, of Malden, Mass., bought a lot at Ortona. He then made a trip to all the gulf coast resorts, but after looking them all over came to the conclusion that the East Coast of Florida, and the Daytona locality especially, excels all other sections of the state.

To bear out this belief Mr. Graffan last Saturday bought five more lots at Ortona—one on the ocean beach, one on the river front, two on Hartford avenue and one on Brookline avenue.

Mr. Graffan has already arranged to erect five new bungalows late next summer on his newly acquired property. On the ocean front lot he will erect a commodious bungalow for his own occupancy, and will build four others for rental purposes.

"Owing to ill health will sell my new brick residence with every modern improvement, corner Ocean boulevard and Duke street, Daytona Beach; also cottage, 135 North Ridgewood avenue, both in excellent order and a real bargain. No reasonable offer refused. W. M. Shaffner, Daytona Beach. 66&m-w&s-tf

Training Children.

The trouble is that many parents do not appreciate the importance of beginning to train their children in emotional control while the children still are very small. They may scold them and punish them, but they do not train them. So that, often without the parent's suspecting it, the habit of excessive emotionality grows until it becomes an ingrained personal trait.

Michael Sabbagh a vender of fancy goods, Joseph Scher, a merchant, selling dress and millinery materials, and E. Laco, operating a meat and vegetable store were brought before the mayor's court this morning charged with doing business without license. Sabbagh was discharged because there was no proof he had been selling in more than one place at the same time. Scher was fined \$10 and ordered to at once take out a license which together with the fine, cost him \$20.25. E. Laco was also fined \$10.00 and ordered to take out a license making a total of \$20.25. City commissioners announce that all merchants operating without proper licenses must attend to the matter at once or more arrests will follow.
